# THANKS TO EVERYONE WHO VOTED TO HELP US WIN THIS FUNDING!

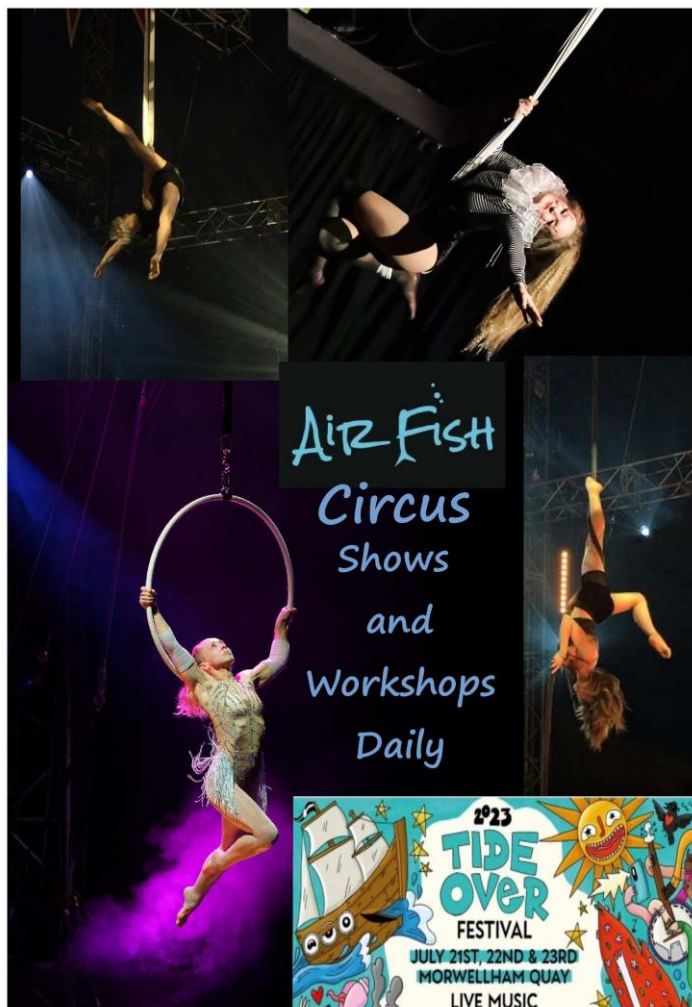

Being awarded this funding is both extra special and overwhelming, in a good way! It shows us just how much the region values what we do, and how much it appreciates the passion, dedication and talent of our youth circus. They feel seen, heard and valued by their local community thanks to you all!

We're delighted to report that the funding is about to come through, and as a result our wonderful Next Gen can continue to benefit from an amazing range of performance and production experience in the Circus Arts, locally, and regionally and nationally. Experiences already provided locally this summer prior to receiving this funding included a showcase at Penlee Park Open Air Theatre, and inside the beautiful church of St Nadreus Redruth, as part of Murdoch Day. Thanks to a Glastonbury Arts Commission for the second year running our youngsters succeeded in creating some phenomenal Big Top show performances. This funding means they can continue to grow and learn, and make a real difference by giving back free creative works to their community.

If you have tickets for the upcoming 'Tide Over' Festival at Morwhellam Quay 21-23 July, or tickets to 'Beautiful Day's' Festival 18-20 August at Escot Park, (both in Devon), you'll have chance to catch 'Next Gen' along with our fabulous collective of local adult talent 'Airfish Circus'.

Here's where and when YOU can next see these amazing young people in action FOR FREE locally, BEFORE JULY IS EVEN OUT!
