## Message from the Head

Dear Parents and Carers

This week started off with a fun-filled trip to the Hall for Cornwall to see the pantomime Cinderella. It was so lovely to see the looks on the children's faces as they laughed at the silly brothers and sang along to some of the well-known tunes.

Today our Year 6 children had a really wonderful time at the RCM Ancient Greek 'Go Potty Workshop' where they got to handle and investigate a range of ancient pots and create their own pot tile that portrayed a story or event using original techniques in black or red figure-ware. The children had a fabulous time, showed their knowledge and understanding well, and were great representatives of Devoran School - well done Year 6!

Congratulations to both Mrs Kerrison and Mrs Morris who have racked up an amazing 52 years of service between them. We are so grateful for everything you have done to support our children over the years. They have both received their long service awards from Cornwall Council for their hard work and commitment to the school. I hope you all have a lovely weekend.

Miss Lock

## Christmas Raffle

Don't forget to buy your raffle tickets! You can buy tickets up until Monday evening, so please don't delay and share the link to friends and family far and wide!

You can buy your tickets here:

## Human Rights Day at Devoran School

Devoran School aims to be a school where children's rights are at the heart of our ethos and culture, to improve well-being and to develop every child's talents and abilities to their full potential. As part of this plan we are working towards recognition as a 'Rights Respecting School', an award given to schools on behalf of Unicef UK. Today we celebrated Human Rights Day by learning about human rights through the story of Cinderella and KS2 classes completed a workbook about getting to know the UN Convention on the Rights of the Child (UNCRC). For more information about Rights Respecting Schools, follow this link <https://www.unicef.org.uk/rights-respecting-schools/about-us-new/>.
