Devoran School is pleased to be able to provide the children of our school the opportunity to attend Breakfast Club and After School Club. The sessions can be booked in blocks over extended periods of time or as and when required, **however places are subject to availability.**

This childcare provision is an extension of Devoran School and therefore operates in line with the school's ethos and values and high expectations of pupil behaviour. The wraparound care staff members have been appointed for their expertise in childcare and have the necessary qualifications for safeguarding, behaviour management, first aid and food hygiene.

It is the wish of everyone involved at Devoran School Wraparound Care Provision to provide a happy, stimulating environment in which children are supported to reach their full potential. Admissions Policy for Wraparound Care

Devoran Wraparound Care is only available to children of school age who attend our school. Once a pupil leaves our school whether still in primary education or moving onto secondary education this childcare service will no longer be available to them.

Online Accounts

Parents will be required to use a ParentPay account to make and pay for bookings. Bookings can be made session by session or as block bookings once your account has been credited. Sessions can be booked up until midnight the day before the required session **and places are subject to availability. It is therefore, recommended that parents do not rely on 'same day' bookings unless in an emergency.**

Specific Individual Needs

Where a child has a specific need, including a disability, it is important that the admission is discussed and planned before booking your child in. At the meeting, we will discuss:

- All parties agreeing that the environment is appropriate for the child
- Liaison will be arranged with relevant professional support networks if applicable
- The staffing levels can support the needs of the child

Behaviour

School policies, including behaviour, apply in the same way as they do during the main school day. We reserve the right to refuse a child who fails to meet these standards. If the behaviour of the child is unacceptable for the safe and efficient running of the club, parents will be informed of this by a member of the School's Senior Leadership Team in the first instance and a warning will be given to the child. Any additional unacceptable behaviour will result in the child being excluded from the club for a period deemed appropriate by the Senior Leadership Team and the Wraparound Manager.

All wraparound care staff members have paediatric first aid training. The priority is to provide an environment where children and adults are protected from the spread of illness and infection. This is achieved in the following ways:

- We do not provide care for children who are unwell, have a high temperature, or sickness and diarrhoea, or who have an infectious disease.
- Parents are asked to telephone the main school line on the first day of their child being absent with illness and give the reason.

- Parents are asked not to bring their child to Wraparound Care if their child has been vomiting or had diarrhoea, until at least 48 hours has elapsed since the last attack.
- Parents will be notified immediately to collect their child if they become unwell or they develop an illness whilst in Wraparound Care. Every attempt will be made to keep the child calm and comfortable.
- Good hygiene practice concerning the clearing of bodily fluids is always carried out.
- The Breakfast and After School care staff follow the school's First Aid policy which includes the management of medical conditions and intimate care. This can be found on our school website.

Medication

Medication will be administered as per the school policy. Current Individual Health Care Plan details e.g. for asthma, etc will be shared by the school with the wraparound care team along with the written consent from the parent/carer.

All Wraparound Care operates under school-wide policies that are available on the Devoran School Website.
