## TIME TO GO BACK TO SCHOOL

Continue the holiday fun for the kids with ShelterBox Explorers so they can learn about the world around them!

Donate the cost of a solar light every month to support children and their families who have lost so much to disaster, whilst introducing your little Explorer to a whole new world.

Every six weeks an educational and fun activity pack will be sent to their door whilst your donation helps send emergency shelter across the world.

Each pack contains stickers,  puzzles,  fact files,  recipes and more, from a country where ShelterBox has responded in.
