**What was the impact?
Here are some comments.**

A Year 2 parent said "My child has been absolutely loving the lessons with Mr Shaikh and was raving about India's big win all night!"

Ready to get going!

A Year 6 pupil said "I enjoyed playing rapid fire because it helped us to increase our accuracy with the ball. Mr Shaikh explained everything really well and made it really clear."

A Year 1 teacher said "I certainly feel that the cricket has been fantastic for the children. They are always so excited to take part and we have seen an increase in participation, especially with a few children that may have previously lacked confidence in PE class. The children are engaged, learning new skills every week and they are now applying these skills to their lessons. It has been wonderful to watch them all grow in both confidence and ability in just a few weeks."

"During such a difficult time, with all local sports clubs and communities closed, it has been extremely powerful having Cornwall Cricket work alongside our staff and deliver the Chance to Shine Programme to our pupils. When the world is full of uncertainties, the children have relished in the comfort of having their weekly cricket session and the consistency of the Chance to Shine Programme". Mrs Sarah Evans PE Co-ordinator

Each month we will announce an overall winner – a Primary School or a teacher who in our opinion is:

-  **Inspiring children to be excited about cricket**
-  **Staff teaching and encouraging cricket to children**
-  **Staff using cricket to develop pupil's learning across the curriculum**
-  **Developing a cricket culture in schools & taking part in competitions**
-  **Supporting pupils on their cricketing journey – transition from school to clubs**

Having fun mid session!
