DEVORAN NEWS

Message from the Head

Dear Parents and Carers

Year Six have made us all incredibly proud this week as they have embarked on their SATS (which is also why I haven't been present on the gates each morning). We hope that the special breakfast each day was enjoyed by them all!

The week was polished off with our Year 6 children speaking at an EU Conference this morning that was being held in Granada, Spain. The theme was around Enhancing Children's Social Emotional Learning and Executive Functioning Every Day. The children spoke about their 'Make My Day' Projects that they created in the Autumn Term and spoke eloquently about the positive impact that the project had on helping them with their self-awareness, self-management as well as their relationship skills.

One of the Year 6 projects has been published and we will be selling copies of the book at the Pengeley Meadows Park opening tomorrow as well as some of the Year 5 Enterprise projects and some second-hand uniform. We hope to see you all there!

I hope you all have a lovely weekend.

Best wishes

Miss Lock

Green Fingers Club

Our Green Fingers Club will be selling plants after school (outside the Year 2 classroom) on Friday afternoons. £1 a plant, all proceeds going to the PTCA.

Jubilee Celebrations

We have spent time this week planning some fun activities and learning opportunities to mark the Jubilee Celebrations. On **Friday 27 May**, we are going to hold a street party for our children including a special party lunch menu.

Due to the menu change, **you will need to rebook the meal choice for your child on Friday 27 May.**

Children are invited to come to school wearing party wear should they wish to. We will also be inviting parents to come and see some of the memorabilia learning from 3pm on this day.

Still time to complete our survey - your opinion counts!

Last week we sent out a parent survey to gather the views of our parents. Thank you to the 13 parents who have already responded, but we would like to hear from more of you! The survey should only take you five minutes to complete and it really will help us to inform our future planning.

Devoran Wraparound Newsletter

This Week's News

(13/05/2022)

Drop off and Collection

We've had a great week of enjoying the weather outside and getting on with our skipping challenge. There are some amazing totals coming along already. We are encouraging the children to work with a partner and help count each other's skips and cheer each other on. We'll update you with photos, videos and progress so look out on Class Dojo!

Sunflowers

The children have been telling us that lots of the sunflowers have started sprouting already, we'd love to see your photos along the way as the sunflowers grow so please send them in!

Jubilee Activities

Over the next two weeks we will be taking part in some activities for the Queens Platinum Jubilee.

Two of these are part of the official activities organised through the official HM Government Platinum Jubilee website will be

- To design and decorate a 2D or 3D crown a picture of the crown (**NOT INCLUDING CHILD**) will then be sent off to enter the competition for the best designs from around the country.
- To design and decorate a card commemorating the Queens's Platinum Jubilee and Official Birthday.

Like all our activities these will be the children's choice if they decide to take part, if they do take part you will receive a Dojo message asking permission for your child's First name only to be included with their entry alongside the school name so please lookout for these and send us a reply.

Booking when attending after an enrichment club.

IF YOUR CHILD IS ATTENDING AN AFTER SCHOOL ENRICHMENT CLUB AND ATTENDING WRAPAROUND CARE AFTERWARDS PLEASE BOOK AS FOLLOWS:-

4:15-5:30 - SESSION 1 & A
4:15-5PM SESSION 2 & 3 & 4

PLEASE ALSO EMAIL OR DOJO MESSAGE MISS ROSEN SO WE KNOW TO COLLECT CHILDREN FROM CLUBS

Drop off and collection for all children is at the doors at the back of the school hall.

Please can we also remind everyone that with the exception of the accessible parking space, the school car park should not be used at drop off or collection times.

Warmer Weather

Now the weather is starting to warm up and we are spending much of our time outside can we ask everyone to start thinking about sun protection for the children. Each child will need a sunhat/cap, water bottle and sun cream available in school. This can be sent in each day or you can provide **NAMED** ones that we will keep in the Wraparound cupboard if this is easier. We know you will understand the importance of this and appreciate your help in making sure the children are prepared for their outside activities.

Have a lovely Weekend.
