DEVORAN NEWS

Message from the Head

Dear Parents and Carers

We have had another busy week in school this week with children from Years 1-6 representing us at various sporting events; it is lovely to see how excited the children are on their return. We have enclosed some pictures of our children at the events on the next few pages of the newsletter. We also place these pictures on our sports display board in school so that everyone can see who has had the opportunity to represent the school.

We are also really pleased to see all our enrichment clubs thriving at present. Below are some details for a short parent survey that we would like you to fill in. This will help to give us a holistic picture of how your views as well as helping us to inform our decisions around enrichment clubs moving forward. We hope that we can get as many of you to complete the survey as possible.

I hope you all have a lovely weekend.

Best wishes

Miss Lock

Devoran School PTCA

The Parent, Teacher, Community Association is a longstanding group that come together to raise vital funds for our school which in turn positively impacts on the opportunities we are able to offer our children.

Over the past five years, our PTCA has grown from strength to strength and the PTCA has raised a huge amount of money for our school - including through the various lockdowns - making us one of the top fundraiser schools on the Let's Localise platform.

I would like to thank the Chairs of the PTCA – Elle and Chris Booker for all they have done over the past five years. We are very aware that there have been a great many parents who have also been an incredible support throughout. Now is the time to hand the batons over to others.

Chris and Elle have organised the AGM for Monday 23 May at 7pm, Devoran School. It would be so useful if you were able to attend. Being a part of the PTCA doesn't mean that you need to be available for each event – the more we can share the events across the year groups, the better.

If you are interested in becoming the next Chair of the PTCA, please don't hesitate to speak to Chris / Elle or Miss Lock. devoranptca@mail.com or victorialock@devoranschool.co.uk

Your opinion counts!

We are sending out a new parent survey to gather the views of our parents. We want to hear from you in order to inform our school improvement planning as well as ensuring that we can capture the positive comments as well as the areas for development that arise from the survey. The survey includes important questions around our enrichment clubs. [Parent Survey May 2022](#)

Cricket Competition

Year 5 did extremely well in the cricket competition last Friday. They took on board everything that was said and made everyone very proud.

The boys came 3rd in their competition and the girls came joint 1st but there could only be one winner so it went to amount of runs which then we became 2nd overall. Outstanding efforts by all.

Years 1&2 Rapid Fire Cricket

The Year Ones and Twos did brilliantly at the Rapid Fire Cricket event at Truro cricket club on Tuesday. We had some very excited children before we left and then some extremely excited children after. We are very proud of all the children that went, they represented the school brilliantly and showed great cricket skills.

Years 5&6 Touch Rugby Qualifier

Years 5 and 6 did their best at the rugby tournament today; they listened and abided by all the rules. There were some great passes, runs and super team work. Well done everyone who took part!

Quad Kids Athletics at Carn Brea

Everyone worked their socks off! The event was great fun and our children had lots of first places and were really fast runners! It was very much enjoyed by everyone taking part. The results will be posted on Monday as there were schools competing this morning and this afternoon, but regardless of the scores on the doors, we are very proud of our children taking part in this fun event. Well done everyone!

This Week's News

(06/05/2022)

We've had a wonderful week of enjoying the weather outside and getting on with the many projects we have on the go at the moment.

The children have produced some amazing self-portraits as you'll see in the photo gallery and copies of these are looking wonderful up on the wall in the hall. They will bring the original pictures home as they complete them so you can enjoy them to.

Most of the children have now planted their sun flowers and will have brought them home to grow and love. Don't worry if your copy of the rules disappears this can be found on your child's Class Dojo. We'd love to see your photos along the way as the sunflowers grow so please keep sending them in!

Our skipping challenge has started well with the children setting themselves a target amount of skips to achieve across the month. We are encouraging the children to work with a partner and help count each other's skips and cheer each other on. We'll update you with photos, videos and progress across the month.

Drop off and Collection

Please can we remind everyone that drop off and collection for all children is at the doors at the back of the school hall.

Warmer Weather

Now the weather is starting to warm up and we are spending much of our time outside can we ask everyone to start thinking about sun protection for the children. Each child will need a sunhat/cap, water bottle and sun cream available in school. This can be sent in each day or you can provide **NAMED** ones that we will keep in the Wraparound cupboard if this is easier. We know you will understand the importance of this and appreciate your help in making sure the children are prepared for their outside activities.

Have a lovely Weekend.
